Reasons for Allowance

COMES NOW the Patent Office and opines at least a reason for the Allowance of this Application to wit: that the Prior Art nary teaches nor reasonably suggests the combination of steps for picking up a component from a component feeder carriage and mounting the component on a board using a transfer head, the method including storing a position measurement result of solder printed on an electrode on the board, calculating mounting coordinates for mounting the component by the transfer head based on the measurement result and controlling a positioner for relatively positioning the board with respect to the transfer head based on the mounting coordinates.

Furthermore the Patent Office Saith nt.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to C. J. Arbes whose telephone number is 571-272-4563. The examiner can normally be reached on M, T, R and F from 8 to 6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, P. Vo, can be reached on 571-272-4563. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
